**GROUP  
FITNESS CLASS  
DESCRIPTIONS**

- **BODYPUMP™**--The original LES MILLS™ barbell class, will sculpt tone and strengthen your entire body, fast!Using light to moderate weights with lots of repetitions.
- **BODYPUMP** - Gives you a total body workout.
- **CYCLE 360** - A high energy form focused cycle class open to beginner or avid cyclists. You will get an amazing interval cardio workout while strengthening your glutes, hams, and more! During the workout you will grab some hand weights for a total body workout.
- **SPIN** - The same great workout as cycle 360 but you will remain on the bike the entire time
- **Butts and Guts** is a special focus class just for your lower body! Sculpt, shape, and strengthen your abdominal, buttock, and thigh muscle groups. This class will strengthen and tone all your core muscles, working on the back, butt and thighs in particular. By combining elements of Pilates, strength training, stability ball, resistance bands and more, this class is sure to get those ab and tush muscles firmed up and well toned. Designed for all fitness levels
- **SilverSneakers** - focuses on strengthening muscles and increasing range of movement for daily life activities. Participants can use hand-held weights, elastic tubing with handles and a SilverSneakers ball. Often a chair is used for seated exercises or standing support.
- **SilverSneakers Splash** - provides a fun environment using a splash-board to increase movement and intensity options during shallow-water exercises. This class is suitable for all skill levels, and even safe for those who don't swim.
- **Zumba** - Zumba is a fitness program that combines Latin and international music with dance moves. Zumba routines incorporate interval training — alternating fast and slow rhythms — to help improve cardiovascular fitness
- **Master Swim - Masters** is designed for those who swim with the benefit individual coaching. Each workout is designed to be fun and exciting as well as improve your technique.
